

WHAT IS A HOST HOME?

A host home is an adult or adults that voluntarily shelters a Compass North youth that is in the Independent Living Program. All youth are between 16 to 24 and voluntarily elects to be in a host home arrangement. All adults are screened by methods of interview, home inspection, and background checks.

WHY ARE HOST HOMES NEEDED?

According to the MSHDA "Ending Homelessness in Michigan" 2021 Annual Report:

In 2021, **3,088 unaccompanied homeless youth** under the age of 25 sought homeless services.

Primary Reasons for homelessness:

- family dysfunction
- substance use
- abuse/neglect
- rejection & conflict
- economic hardship
- domestic violence

The pandemic continues to negatively impact our communities. Our region experienced a 35% increase in the number of people experiencing homelessness.
